BILLING CODE 6717-01-M

[Docket No. RP95-197-014]**Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff**

July 18, 1996.

Take notice that on July 15, 1996, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1 and Original Volume No. 2, which tariff sheets are enumerated in Appendix A attached to the filing. The proposed effective date of the tariff sheets is August 1, 1996.

On June 19, 1996 Transco filed a Stipulation and Agreement (Agreement) in Docket Nos. RP95-197, *et al.* which, among other things, resolves Transco's cost of service, overall throughput level and mix of throughput for the Docket No. RP95-197 rate period commencing September 1, 1995. Article IV of the Agreement provides that, in order to implement the settlement rates as early as practical, Transco will file to request Commission authority to place the settlement rates in effect as of the first day of the first month following at least 30 days after the Agreement is filed (i.e. to be effective August 1, 1996).

Transco also agreed to include as part of such filing a request to make effective as of the same date "latest estimated allocated data" procedures as provided in Article V, Section I of the Agreement. Consistent with, and subject to, Articles IV and VII of the Agreement, the instant filing proposes to implement, subject to certain conditions, the settlement rates effective August 1, 1996. Additionally, the filing proposes to implement effective August 1, 1996 tariff provisions regarding "latest estimated allocated data".

Transco states that copies of the filing are being mailed to each of its customers, State Commissions and other interested parties.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are

available for public inspection in the Public Reference Room.
